Hi Katherine,

The conference call number is on the meeting invitation already so we are good to go.

Mark

Dear [REDACTED] –

I have checked in with Mark and our management team and we are kindly requesting that the May 25th discussion be a conference call due to logistical challenges of arranging a DVC this week. Would you all be willing to send the call in number as you have in the past?

Thanks much and best wishes,
Katherine

Mark/Brenda/Katherine,

Can I get the name and contact of the IT person who will put the DVC together for you on May 25th? Would like to get our folks talking in order to make the connection happen.

V/R

[Ex. 6 - Personal Privacy] -- Just FYI, I will be out of the office for a few days of annual leave starting tomorrow (Thursday) through Monday, 5/22.

Given the late hour in Rome, I assume that we won't be getting the revised budget today. So please just send it whenever available and I will finish processing the fund cite when I return on Tuesday, 5/23.

Thanks again for everything...
Anna

Hi Mark, For the advance, I envision that you would be going by fast train (2 hours vs. 4 by car), meeting Ex. 6 - Personal Privacy going to FICO and the hotel venues. Would EPA want to rent a van in Florence that Ex. 6 - Personal Privacy could come in on Monday to meet you at the train in Bologna?

As for the advance, could we use the 8-pax to travel to and from Bologna? I see it's budgeted from May 31st and it will be coming from Florence. Is there a way to work in a vehicle for the advance into the budget?

Thanks, Ex. 6 - Personal Privacy

Thanks [Ex. 6 - Personal Privacy]

We're lining up site officers and will nail down when the advance team will be in Bologna during our call today. [Ex. 6 - Personal Privacy] has indications from MoE that all of the events may be held at FICO Eatly World <http://www.caab.it/it/arriva-f-i-co/>. This would be good in that there would only be one site visit, but bad, because it looks like a pretty unwieldy place. I'm not positive all of FICO is open yet. Would [Ex. 6 - Personal Privacy] be able to be the site officer and also meet the advance team?

Team EPA / Florence,

Due to POTUS visit here in Rome, could we move next week's call from May 24 to May 25 at the same time 3pm Rome (9am DC)? This would help to have more participants attend as well. We would also like to change the format to a DVC rather than a phone call. Would this be possible?
